Old Business

- 1) Review and approve the minutes from the last meeting.

- 2) Meeting Tuesday will be a working session to review and update zoning ordinances as a group.
 - i) After tabling this work for the last couple meetings it is time to get our review completed and on to the town board.

 - ii) It was suggested at the last meeting that it could be more productive to work on this together from beginning to end. In part because of the inter-relationships between the sections.

 - iii) Each of us should have at least a familiarity with the section we were assigned. Having a list of suggested updates and questions will help speed up the group work.

- 3) Plan on a May meeting for the final plat of the River Highlands subdivision.
