Motion carried

The Planning Commission discussed the Illicit Discharge ordinance. The discussion suggested drafting an ordinance from scratch that is minimal in nature: something simpler than that issued by the county may be appropriate. Commissioner Brown will contact Haverhill Township to determine what they have done. Commissioner Heathman will look at the minimum requirements of the MS4 permit. Commissioners Lenz and Masog will look for other examples to use as input.

The Planning Commission discussed operating procedures and the use of recording devices for public hearings. The Planning Commission would like this item raised with the Town Board for consideration and adoption/funding.

Commissioner Heathman reviewed the business in front of the town board.

The Planning Commission discussed the addition or clarification of definitions in the zoning ordinance. There are a variety of opinions regarding the need. Commissioner Brown will provide some definitions for consideration.

The planning Commission discussed the rotation of the chair and scribe positions. This item is continued to the next meeting.

Commissioner Brown moved to adjourn. Second by Commissioner Masog.
